There have been
188 working days
since Labor, not
counting the 60 days
of Miss Brown's
vacation.
She has been the
field 38 days, including
club meetings.
In the Fall she
compiled the League
Yearbook which kept
her in the office more.
Another year she
wouldn't have that
to do.
12 days is the
longest time that
she has been away
at a time.
